

JET PUMPS: MOVING AIR WITH MOVING AIR

FIG. 448. —THE COMPRESSED-AIR INJECTOR.

CONTENTS

1.	Jet Pump Engineering	1
2.	Pulsed-Drive Jet Pumps Entrain More Air	65
3.	The Dynamics of Pulsating Flow	144
4.	Sample Applications of Jet Pump Technology	243
5.	Patents on Jet Pump Technology	252
6.	Steam Boiler Injectors: cold water into hot boiler with no moving parts, proven technology since 1858: Why not air?	262
7.	<i>Steam Injectors: Their Theory & Use</i> , M. Leon Pochet (1890)	301
